Ocean Drive Madrid – The Neighbormood

Discover Ocean Drive Madrid and the soul of the city through The Neighbormood: a way of traveling that goes beyond maps and tourist clichés. Here, every street corner, every tavern, and every neighbor becomes part of your story. This video shows how our hotel connects visitors with authentic Madrid: art, music, gastronomy, and the timeless spirit of Malasaña and Chueca. Ocean Drive Madrid is not just a place to stay, it's a community where you arrive as a traveler and leave as a friend.
