Presentation

Español

Con su estética Art Deco y su perfecta ubicación, Ocean Drive Ibiza ha consolidado su estatus de icono de la cultura ibicenca ofreciendo una experiencia verdaderamente personalizada además de eventos lúdicos y festivos en los que se dan cita tanto los visitantes como los locales. Tras la reforma en 2023, el hotel ha vuelto a su esencia glamurosa. El primer hotel OD, el buque insignia de la marca se viste de gala para el futuro, y seguro que todas las miradas estarán puestas en él. Una reforma total que nuestros invitados agradecerán tanto si se hospedan como si sólo están de visita. Este golpe de aire fresco refuerza el cometido y todo lo que caracteriza al icónico Ocean Drive desde su creación: La música y sus protagonistas, en todos sus aspectos, y el apoyo a lo local y la ubicación en primera línea de la marina, lo cuál ofrece una vista privilegiada, a la vez que respetuosa hacia Dalt Vila, el casco antiguo, patrimonio de la humanidad UNESCO. Ocean Drive Ibiza ofrece un diseño art decó reconocible al instante inspirado en la arquitectura de South Beach en Miami, así como en la época dorada de los años 20 en Nueva York y el Art Decorative Francés. Desafiando la costumbre local, el dueño del hotel, Marc Rahola, decidió abrir el hotel todo el año, para ofrecer a los huéspedes un sitio para disfrutar y vivir más allá de la legendaria vida nocturna del verano en Ibiza. Por eso, el hotel acoge todo el año a importantes DJs que atraen a huéspedes y locales tanto a su increíble OD Sky Bar, un chill out en la última planta del hotel, como en su lobby y restaurante. Cada una de las 40 elegantes habitaciones está decorada con tonos suaves de lavanda y chocolate, con vistas tanto al mar Mediterráneo y la ciudad de Ibiza como a las montañas.

English

With its retro Art Deco aesthetic and perfect location, Ocean Drive Ibiza has cemented its status as an icon of Ibizan culture, defying tradition and offering guests a truly tailored island experience. With the refurbishment that took place in 2023, the Hotel has regained its glamour essence. The first ever OD Hotel, the flagship of the brand dresses up for the future, sure that all eyes will be fixed on it. A total refurbishment that our guests will appreciate, whether or not staying in the hotel, who have been loyal to us over the years, in addition to the fact that it will be a boost and a commitment to everything that already characterizes this iconic hotel: Music and its protagonists, art in all its aspects, the support and cooperation to the local area and a location on the front line of the Marina but with a privileged and respectful view over Dalt Vila, the historic city, UNESCO World Heritage. It was inspired by the architecture of Miami's South Beach, as well as New York's roaring 20's and French Art Decorative. In defiance of local custom, Ocean Drive Ibiza owner Marc Rahola has kept the hotel opened all year round, offering guests a rejuvenating island retreat beyond Ibiza's legendary summer nightlife. Still, the hotel remains best known for its insider access to this island's thriving club scene and often plays host to high profile DJs, who lure guests and locals alike to Ocean Drive Ibiza's scenic lounge OD Sky Bar. Each of the 40 elegant guest rooms are outfitted in mellow tones of lavender and chocolate, with views of either the sparkling Mediterranean Sea or Ibiza's mountain vistas.
